Visit the Outdoor Heritage Education Complex

The Outdoor Heritage Education Complex features a 60 yard archery range with shooting tower, a 50 yard - small bore rifle range with 10 shooting benches and an indoor 10 meter pellet gun range, with paper targets and a shooting gallery. The complex was designed in house by Nebraska Game and Parks Commission staff following industry standards and total focus upon safety. The rifle range has a 'no blue sky' design so the shooter can only see the targets and bullets will not be able to leave the range. The pellet gun range was created with everyone in mind, no matter what their size or ability.

The shotgun range has one trap house with standard 17-26 yards lanes and is equipped for a five stand shooting experience.

Our first event was our annual Outdoor Discovery Program (formerly known as Outdoor Expos) with over 1,800 5th & 6th grade students in attendance. Events for this year include;

- April 1 -Complex open to the Public
- Trap Shooting Practice Available for High School Teams
- April 18 & 19 Outdoor Discovery Program
- April 21 First Shots— Designed for first time and novice shooters
- May—August Beyond BOW Summer Shooting Series for Women
 - Offered 1 night a week will cover Archery & a variety of firearms
- May 5 & 6 Becoming an Outdoors Family for the Hearing Impaired
- May 19 & 20 Becoming an Outdoors Family Camp
- June 2 Learn to Hunt– open to everyone 11& up
- June 16 Outdoor Skills Workshop for Men
- July 7 First Shots
- August 17 & 18 Women in the Outdoors
- August-October After School Programs -Explore Bowhunting
- October 13 Muzzleloader sight-in day
- TBD Boy Scout Merit Badge Camp

Along with Platte River State Park's educational programming the Heritage Complex will be open so visitors to the park can shoot bows, rifles and .22's with personal instruction for a small fee.
